Count green words of encouragement

Answer: 7

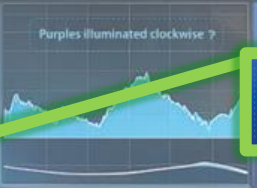

Find the **extra** at the encouragement phrases.

How do you empower employees?
 Read carefully the following sentences

1. Have clear communication
2. Set clear expectations
3. Give employees autonomy over assignments
4. Provide necessary resources
5. Give constructive feedback
6. Communicate the vision of the organization
7. Recognize employees for hard work

Form a three-digit number that you found during the game. Write it down and beneath it write the number in reverse order. Subtract the smaller number from the larger one and write down the result. Then, again write the reverse of the result, this time add it to the previous result... And... that's it.

Phrases of Encouragement: ?

- "You found work. A truly paying job!"
- "You're making a real difference here!"
- "Keep up the excellent work!"
- "Your dedication is inspiring!"
- "Thank you for your consistency effort."
- "I believe in your abilities."
- "Your creativity is a real asset to the team."
- "You're doing an amazing job!"
- "Keep pushing forward, success is within your grasp."
- "Your positive attitude is truly remarkable."
- "Thank you for your hard work and dedication."

Form a three-digit number that you found during the game. Write it down and beneath it write the number in reverse order. Subtract the smaller number from the larger one and write down the result. Then, again write the reverse of the result, this time add it to the previous result... And... that's it.
